London, Oct. 11.—British troops are
within two miles of Seres, one of the
most important towns in Greek Mace-
donia, occupied by Bulgarians. The
British statements from Saloniki an-
nounced the capture of the towns of
Papalova and Prosenik, east of the
Struma river. The sustained character
of the British offensive indicated
at serious operations have finally
started on the Macedonian front.
Heavy fighting has occurred in both
the Struma region and south and
southeast of Monastir. These opera-
tions were probably undertaken to re-
lieve pressure on the Rumanians, who
are being driven back rapidly in
Transylvania.

Vienna reported the repulse of Ru-
manian attacks, stating the Ruman-
ians were being pushed into the moun-
tains.

LITTLE NEWS FROM LEMBERG

Austria reported the repulse of
Russian attacks in Galicia. Few de-
tails of the great battle for the pos-
session of Lemberg were given.

ON THE WESTERN FRONT

On the Somme front Paris reported
other French advances. In the
Argonne the Germans penetrated the
French line but were driven out.

marks will be presented to the Ger-
man Reichstag soon. This brings
Germany's total since the war started

BRITAIN NEEDS ANOTHER BIL-
LION AND A HALF

Premier Asquith was to introduce
the house of commons today a bill
to vote a credit of approximately one
hundred and fifty million dollars.
This is the thirteenth credit asked
since the war started, bringing the
total to approximately fifteen billion
dollars and sixty million dollars.

A FALSE ALARM

Submarine Reported Off Savannah
Believed to be in Same Class
with the Sea Serpent

(Associated Press)

Savannah, Oct. 11.—If a submarine
is lurking in the south Atlantic, as
was unofficially reported yesterday, it
successfully evaded detection today.
Credence given first reports had di-
minished to such an extent, Captain
Glover of the British steamer Noya,
announced he expected to sail today.
The British consul and local customs
officials who yesterday said they heard
a submarine was off the coast, today
stated the report was based on "street
rumors."

south observed nothing to indicate the
presence of a German submarine off
the American coast. There was no
unusual activity at sea, the arrivals
said. No entente warships were
sighted.

FIVE BOATS FOUND

Believed to Belong to British Steamer
Kingstonian, Sunk by German
Submarine Sunday

(Associated Press)

Newport, Oct. 11.—The finding of
five abandoned ship's boats by the
Spanish steamer Antonio Lopez, and
reported in a wireless relayed to the
naval station by Nantucket lightship,
is considered in naval circles as sug-
gesting a possible trace of the crew
of the steamer Kingstonian, reported
torpedoed by a German submarine
Sunday. Naval authorities have sus-
pended search for the crew. Part of
the message was unintelligible.

BOYS' CORN CLUBS
SHOULD GET BUSY

Ocala, Fla., Oct. 11, 1916.
Marion County Corn Club Boys.

My Dear Boys: Now is the time for
every boy in the corn club to begin
to get his record book in shape. Don't
fail to gather your acre and make a
report. If you have a small yield and
are a little bit ashamed of it, just
show yourself to be a boy of character
and report just what you made and
then prepare to do better next year.
I expect to give every boy a chance
to join the Pig Club for 1917, who has
his acre for corn well broken and a
cover crop such as oats or rye growing
on it by January 1st. Our pigs for
all boys will be a small gilt from 10
to 12 weeks old and valued at \$10.
Every boy in the club will have the
same size pig. This includes the boys
who are members of this year and
have grown sows as they will take one
of their small pigs and work with
that. It would not be fair to let
them have a grown hog and the new
members a young pig so all will have
the small gilts while of course the old
members will go right on with their
old sow and make money from her.

No boy will be eligible for the 1917
Pig Club unless he has his acre bro-
ken and the cover crop planted by Jan-
uary 1st. Of course a boy who is do-
ing something which will take the
place of a cover crop such as penning
cattle on his acre will be allowed to
enter without the cover crop but ev-
ery boy must have his acre broken
good and deep by January 1st. This
covers all boys, both old members and
new members. But in addition to this
no boy from this year's Corn Club
will be taken into the Pig Club if he
fails to report on his acre and exhibit
his ten ears of corn at the Fair this
fall.

These rules are hard and fast and
must be observed by every boy who
wishes to join the Pig Club. Any boy
who does not follow these rules need
not apply. A boy who does not take
interest enough in his club work to
report is too sorry to have a pig and
won't be allowed in the Pig Club.

Now we must all pull together and
work to make the Marion County Corn
and Pig Clubs the best in the state
and it will take good work and plenty
of it as several of the counties are
doing better work at the present time.

Remember that Marion county needs
your work and get busy; make out
your reports, select your best ten ears
of corn and be ready for the Fair.
It is more creditable for you to make
a low yield and report than to try to
slide out by not reporting. I will see
every one of you before the fair and
go over your report and help you in
any way I can. Yours for success,

R. W. Blacklock, County Agt.

COMMITTEE READY FOR
THE CAMPAIGNSTATE WILL SEE THE HOTTEST CONTEST THAT
HAS BEEN WAGED SINCE SEVENTY-SIX

(Special to the Star)

Jacksonville, Oct. 11.—The demo-
cratic campaign committee has opened
headquarters in the Heard building
and gone to work to carry out the
general plan perfected at the commit-
tee meeting here last Saturday. Steno-
graphers and clerks were busy yes-
terday getting out letters and shaping
up information to place in the hands
of the voters.

The committee has had prepared
and is now ready to be turned over to
the printer for publication a complete
illustrated campaign booklet showing,
by reproductions of the tally book
pages, errors made in various coun-
ties by the inspectors and clerks of
the election and shows up in an un-
manswearable and convincing manner
how the votes of the other candidates,
on account of the misunderstanding of
the proper method of counting second
choice votes were made to count for
Mr. Catts for the reason that his
name appeared first on the ticket. No
argument so strong as these illustra-
tions could be advanced to prove that
Catts was never entitled to have re-
ceived a certificate or to have been
considered the nominee of the party.
No democrat who will take the time
to examine the facts this booklet con-
tains and has any respect for the will
of the voters, as expressed on the bal-
lot, or for his obligation he took when
he participated in the primary, can
refuse to support the democratic nomi-
nee.

Itineraries for speakers are being
arranged by the committee and they
will be advertised just as soon as
completed. Mr. Knott will likely be-
gin his campaign at St. Augustine or
Palatka and will open with a speech
either Friday or Saturday. Next week
Mr. Knott will likely go into Suwanee,
Hamilton, Madison, Taylor, Lafayette
and Columbia counties. From two to
three speeches will be made daily.
Picnics and barbecues will be arrang-
ed and every possible effort put forth
to have a large crowd to meet the
head of the state ticket at all of his
appointments. Nothing will be left
undone by the committee to show the
democratic voters of Florida that they
have no justifiable reason for desert-
ing the democracy to take up with in-
dependents or the prohibition party
that is run by John P. Coffin and wife,
assisted by their son, who has been
nominated to oppose Congressman
Frank Clark, democratic nominee for
Congress in the second district. In-
formation is coming to the committee
headquarters from the second con-
gressional district to the effect that
many of the Catts clubs have secretly
endorsed Mr. Coffin for Congress and
that it was the encouragement offered
by these organizations that prompted
Mr. Coffin to put his son in the race
for Congress. During the primary
campaign Mr. Coffin worked and so-
licited votes for Mr. Catts and it is
alleged that he has been making his
political headquarters in the same
rooms here in Jacksonville that are
known as the Catts club headquarters.
The convention that was held here in
Jacksonville a few weeks ago, and
nominated Mr. Catts was held in the
room that the Guardians of Liberty
and Patriotic Sons of America hold
their meetings. The convention was
held behind closed doors and about the
only information that was ever given
to the public was that the convention
was held and that Mr. Coffin Sr. was
chairman, Mrs. Coffin secretary, and
Mr. Coffin Jr. was chairman of the
committee on platform and resolu-
tions, and that they had nominated a
state ticket headed by Sidney J.
Catts for governor.

Long, Branch, Oct. 11.—Secretary
Lansing, who refused to discuss the
conferences he had with the president
here, left this morning for Washing-
ton. It was reported that Mr. Lan-

confer with members of the Mexican-
American joint commission, but at the

CAPT. BRIGGS KILLED

Popular Hotel Man at Homosassa Re-
ceived a Fatal Blow in a
Wrangle with a Negro

(Special to the Star)

Homosassa, Oct. 11.—T. D. Briggs
died at 8 o'clock this morning as the
result of a blow dealt by a negro
named Chisholm at 5 o'clock yesterday
afternoon.

Chisholm had been hunting on the
properties of the Rendezvous, a hotel
operated by Mr. Briggs, and after he
had been taken to task about it,
struck Capt. Briggs over the eye it is
said with his fist. There was nothing
serious contemplated from the blow at
first but it seems that an artery was
broken which caused cerebral hemor-
rhages. Several hours after the oc-
currence Mr. Briggs began to lose
consciousness and never rallied.

Mr. Briggs has for a number of
years been proprietor of the Rendez-
vous, having moved here from Vir-
ginia in 1910, and was very popular
not only with his neighbors but with
the traveling public, and his death is
quite a blow to the community. Chis-
holm was taken to the Inverness jail
last night to await developments, and
is now in a cell. It is intimated there
may be a lynching.

Mr. Briggs was a man of about
forty-five years and leaves a wife.
Funeral arrangements have not yet
been announced.
